

Resolution 2015-8: Request for Speed Study on 105th Street NW in Watab Township

WHEREAS, residents have requested a speed study on 105th Street NW in Watab Township, Benton County, State of Minnesota due to what they believe are unsafe conditions; and

WHEREAS, the road is not currently posted with a speed limit; and

WHEREAS, 105th Street NW is an urban street with many homes and businesses; and

WHEREAS, an April 2nd Speed Study report showed an average of 515 cars per day on 105th Street; and

WHEREAS, the Watab Town Board believes it is in the best interest of the township's residents to conduct a speed study to determine safety needs;

NOW, THEREFORE, BE IT HEREBY RESOLVED that the Watab Town Board requests authorization from the Minnesota Department of Transportation to conduct a speed study on 105th Street NW between U. S. Highway 10 and County Road 55.

Adopted this seventh day of April 2015 by the unanimous vote of the Town Board.
