

**WATAB TOWNSHIP
BENTON COUNTY, MINNESOTA
RESOLUTION NO. 2020-3**

**RESOLUTION TO ACCEPT RIGHT OF WAY DEDICATED IN BENTON COUNTY
BOUNDARY COMMISSION PLAT NO. 1 AND CONSENT FOR COURT APPROVAL
OF THE PLAT**

The following Resolution was adopted by the Watab Township Board at its February 4th, 2020, regular Town Board Meeting.

1. The Benton County Board has established a Boundary Commission under Minnesota Statutes Section 465.79 for real property in Watab Township, located in Government Lots 2 and 3, Section 11, Township 37, Range 31.
2. Watab Township controls Right of Way for Sucker Creek Road, Heron Road NW and Hedge Road NW within this area.
3. The Town Board recognizes that the legal descriptions of its Right of Way may not match the location of the road as traveled and surveyed on the ground.
4. On January 21, 2020, the Benton County Board adopted the attached Boundary Commission Plat, which accurately shows the Town Road Right of Way for these roads.
5. The County Board also instructed staff and counsel to have the Boundary Commission Plat approved by the Court and Judicial Land Monuments placed pursuant to Minnesota Statutes Section 559.25 to assist in the future re-survey of Lots and Right of Way in the Plat.
6. The Boundary Commission Plat establishes the dedicated Right of Way for these roads according to existing evidence on the ground and the road as traveled.
7. The Watab Town Board accepts the dedication in the Plat of the Right of Way as Town roads for travel and utilities.

NOW THEREFORE, the Watab Township resolves:

- a. Watab Town Board accepts the Right of Way shown on the attached Boundary Commission Plat for public road and utility purposes.
- b. The Town Board consents to the Entry of a Court Order adopting the Plat and placing Judicial Monuments. The Town waives its right to appear in Court to object to the survey and the Plat.
